REDACTED

STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on 2 May, 2007 while exercising my duties as a law enforcement officer in the 10 District of Delaware

I was contacted via radio about a possible theft of copper wire at the construction sight of Building 503 Dover Air Force Base. Myself and Sgt Lavette talked to Steven Grubish who stated Jason Boller had used a Bryan Sullivan's company vehicle to transport a box containing 100 pounds of copper wire to his personal vehicle. According to Mr. Grubish, this was Jason's electronic company scrap wire, and Mr. Boller, ~~that was for~~ was not given permission to take it. Myself and Sgt Lavette then detained Jason Boller and brought him back to the law enforcement desk where he was read his rights and issued his summons to court.

The foregoing statement is based upon

- ☐ my personal observation ☒ my personal investigation
☐ information supplied to me from my fellow officer's observation
☒ other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge
